Any sewer work, including installation, replacement and repair, of the sanitary side sewer requires a plumbing permit. This must be obtained, in advance of work, from the Permit Technician (City hall room 214). Side Sewer regulations and diagrams may be obtained from the Public Works Dept. or Building Dept..

Permission is hereby given to do the above described work according to the conditions hereon and according to the approved plans and specifications pertaining thereto subject to compliance with the ordinances for the City of Chewelah. I hereby certify that the foregoing is correct to the best of my knowledge.
